The Institute of Transportation Engineers Kentucky Section (ITE Kentucky) presents the William “Bill” Seymour Scholarship each year to promote the continuing education of Civil Engineering students in the study of transportation related diplomas and encourage their involvement in transportation related careers. Award applicants must meet the following criteria:

Eligibility Requirements

1. Any Award Recipient must be a full-time student enrolled in an ABET accredited Civil Engineering program in the state of Kentucky, shall maintain full-time status during the academic year for which the scholarship is to be applied, and shall remain in good standing with the program and University/School in which they are enrolled.
2. Applicants must be accepted and enrolled in a full civil engineering program (NOT pre-engineering).
3. Applicants should **demonstrate a strong commitment** to the discipline of **Transportation Engineering** in their coursework and outside activities.
4. Must attend two ITE Kentucky meetings during the calendar year applying for scholarship.
5. Must be a current member of ITE Kentucky.

Selection Criteria

The scholarship will be awarded on the basis of the applicant who can demonstrate that, through their engineering studies and extra-curricular involvement, he or she has provided the greatest contribution to the engineering profession while maintaining a good grade point average (GPA). The following specific criteria will be considered:

- a) Professional, Academic, and/or Volunteer Activities.
- b) Demonstrated Leadership.
- c) Relevant Work Experience, include the type of work and length of employment in months in your response.
- d) Response to Part C question.
- e) Overall GPA.

Please note that financial need is not a factor taken into consideration for applicants for this scholarship.

Additional Award Details

Scholarship Awards will be paid directly to the award recipient in **one full payment**, contingent upon successfully completing the prior academic period. Recipients must furnish official confirmation of enrollment as a full-time student in the required course of study along with a copy of their course grades for the previous academic period prior to the disbursement of the Award. The winner of the award will be announced at the ITE Kentucky Annual Meeting.

The ***William (Bill) Seymour Transportation Engineering Scholarship Award*** is estimated to have an award value of \$2,000. However, the ITE Kentucky Board of Directors retains the sole discretion to change the award value or imbursement status.

Scholarship Application Components

Part A

Attach completed Application Information (page 1 of this document).

Part B

Attach a one (1) page narrative that covers how you meet criteria **a**, **b**, and **c** listed above. Include your professional, academic, and/or volunteer activities, tell us about your demonstrated leadership, and discuss any relevant work experience. This summary may be in paragraph form or in a bulleted list, as long as it gives enough detail. This first section *must* be limited to one page (8.5" x 11", normal margins).

Part C

Attach a reply to the following question. Response *must* be limited to 250 words or less.

“What do you hope to achieve as a transportation engineer?”

Part D

Attach your unofficial transcript.

Part E

Attach completed Applicant Certification and Permission to Release Statement (page 4 of this document).

Instructions for Submitting Application

Applications must be submitted by digital format via email by 11:59 PM, October 18, 2026.

Complete Applications and questions shall be submitted to:

Roger Mulvaney
ITE Kentucky Past President
Phone: (859) 258-3480
rmulvaney@lexingtonky.gov

Make sure that all relevant information is included, and all pages and written paragraphs are attached. Late or incomplete Applications will not be considered.

Applicant's Certification and Permission to Release Information (Part E)

I hereby certify that all information submitted on this application, and any attachments hereto, is true, accurate, and complete to the best of my knowledge. I understand that submitting non-factual information will automatically disqualify me from any consideration.

I hereby grant permission to allow ITE Kentucky to release information contained herein in announcement of the award, and to other potential sources of scholarship assistance for engineering studies.

Submission of this form affords eligible candidates a one (1) year Student membership to the International Institute of Transportation Engineers (ITE). All fees associated with membership will be waived for the entirety of the calendar year.

Students applying for a scholarship must submit an unofficial transcript with the application form. Should ITE Kentucky request an official transcript in the review process, I agree to obtain that through my university. All associated fees will be paid in full by ITE Kentucky. Official documentation must be received within two weeks of request in order for the candidate to maintain eligibility.
